## The 20th Biennial IEEE Conference on Electromagnetic Field Computation (CEFC) 2022 24 – 26 October 2022 | Denver, Colorado

The IEEE CEFC is one of the most important scientific and technical events in computational electromagnetics and related field. The aims of the IEEE CEFC are to present the latest developments in modeling and simulation methodologies for the analysis of electromagnetic fields and wave interactions, with the application emphasis being on the computer-aided design of low and high frequency devices, components and systems. Scientists and engineers worldwide are invited to submit original contributions in areas related to Static and Quasi-static Fields, Wave Propagation, Material Modeling, Coupled Problems, Numerical Techniques, Optimization and Design, Software Methodology, Nanomagnetism, Nanophotonics, Bioelectric Field Computation as well as Devices and Applications and related educational efforts.

### CEFC Virtual Exhibit Spaces

Virtual exhibit spaces are available to display your business or technology through the Whova virtual conference platform. All exhibit spaces will be available during the Conference and student competitions on Saturday.

**\$1500** Exhibition Fee. Price includes one full complimentary registration.

A virtual exhibit space comes with:

- A customizable virtual booth displaying a text summary, banner or video, website link, and the opportunity to chat with visitors to your page
- Brand promotion through the Whova app/GreenTech website including product/service ads via emails and notifications (some sent well in advance of the conference), and in attendee profiles
- Access to an attendee list and Whova's community engagement tools:
  - Join and create interesting discussions on the community board
  - Invite and meet with attendees over virtual meetups

Whova has posted several YouTube videos about their product. One that we recommend for maximizing the benefits of event sponsorship with Whova is:

<https://www.youtube.com/watch?v=avM-Wt2atYE>

## CEFC Sponsorship Levels

### **Platinum Support – \$6,000**

- Limit of four Platinum Supporters
- Special Recognition as a Platinum supporter with an extra-large logo on the landing page and website
- Ad in the conference program
- (3) Full Complimentary Registrations

### **Gold Support – \$3,000**

- Limit of Six Gold supporters
- Special Recognition as a Gold Supporter with a large logo on the landing page and website
- Ad in the conference program
- (2) Full Complimentary Registrations

### **Silver Support – \$1,500**

- Special Recognition as a Silver Supporter with a medium logo on the landing page and website
- Ad in the conference program
- (1) Full Complimentary Registrations

## Contact Us

**For additional information on the conferences, please contact any of the following individuals:**

**Abla Hariri** : [2022\\_cefc-Exhib@ieee-denver.org](mailto:2022_cefc-Exhib@ieee-denver.org)  
2022 IEEE CEFC Exhibition Chair

**Abd A. Arkadan** [2022\\_cefc\\_chair@ieee-denver.org](mailto:2022_cefc_chair@ieee-denver.org)  
2022 IEEE CEFC General Chair

**Ian MacMillan** [2022\\_cefc\\_operations@ieee-denver.org](mailto:2022_cefc_operations@ieee-denver.org)  
2022 IEEE CEFC Operations Chair
